

Admission Requirements

THE MINIMUM ADMISSION REQUIREMENTS INTO GENERAL NURSING SCIENCES PROGRAMMES

1. *Bachelor of Science(Hons) in General Nursing Science*

To be admitted in Bachelor of Science (Hons) in General Nursing Sciences, the prospective candidates must fulfill the following minimum entry requirements:

- a. He/she have done one of the following subjects' combinations at A level and having (2) Principal passes with at least the grade **C** in both **Chemistry** and **Biology**:
 - Physics-Chemistry-Biology
 - Mathematics-Chemistry-Biology
 - Biology-Chemistry-Geography; or
 - b. Having A2 Certificate in Nursing Sciences with at least Two (2) Principal passes in core subjects.
- ### 2. *Advanced diploma in General Nursing Science(A1)*

To be admitted in Advanced Diploma in General Nursing Science program, the prospective candidates must fulfill the following minimum entry requirements:

- a. He/she have done one of the following subjects' combinations at A level and having (2) Principal passes with at least the grade **D** in both **Chemistry** and **Biology**:
 - Physics-Chemistry-Biology
 - Mathematics-Chemistry-Biology
 - Biology-Chemistry-Geography; or
- b. Having A2 Certificate in Nursing Sciences with at least Two (2) Principal passes in core subjects.

THE MINIMUM ADMISSION REQUIREMENTS INTO COMPUTER SCIENCES PROGRAMMES

3. Bachelor of Science(Hons) in Computer Science Engineering Program

To be admitted in Bachelor of Science in Computer Science Engineering Program, the applicant must fulfill the following minimum entry requirements:

He/she have studied Sciences subjects at A level and having at least two (2) Principal passes in Mathematics and Physics, Computer Sciences, Physics and Chemistry, Mathematics and Computer Sciences, Mathematics, Economy and Computer or Mathematics and Sciences.

4. Bachelor of Business Information Technology Program (BIT)

To be admitted in Bachelor of Science in Business Information Technology Program, the applicant must fulfill the following minimum entry requirements:

He/she have studied Sciences subjects at A level and having at least two (2) Principal passes in Mathematics and Physics, Computer Sciences, Physics and Chemistry, Mathematics and Computer.

THE MINIMUM ADMISSION REQUIREMENTS INTO EDUCATION PROGRAMMES

5. Bachelor of Education(Hons)

To be admitted in Bachelor of Education (Hons) Program, the applicant must fulfill the following minimum entry requirements:

Academic Program	Cores subjects at A level	Combination in A level	Minimum admission criteria
1. Bachelor of Education(Hons) in English-Kinyarwanda	English, Literature	Normale Primaire, EFK, EKK and TML, Litteraire	Having at least two(2) Principal Passes in English, Literature, Kinyarwanda or
2. Bachelor of Education(Hons) English- French	French, English	Normale Primaire, EFK, EKK and TML	Having at least two(2) Principal Passes in English, Literature, Kinyarwanda
3. Bachelor of Education (Hons) English- Kiswahili	English and Kiswahili	EKK, LKK	The applicant must have at least two(2) Principal Passes in English and Kiswahili or having at least a Credits ≥ 60 in both English and Kiswahili
4 Bachelor of Education (Hons) in Mathematics and Biology	Mathematics and Biology	MCB, TSM	The applicant must have at least two(2) Principal Passes in Mathematics and Biology or having at least a Credit ≥ 60 in both Mathematics and Integrated

			Sciences
5. Bachelor of Education (Hons) in Mathematics and Computer Sciences	Mathematics, Computer Sciences, Physics	PCM, MPC, MPG, MEC	The applicant must have at least two(2) Principal Passes in Mathematics and Physics, Mathematics and Computer Science or having at least a Credit ≥ 60 in both Mathematics and Sciences
6. Bachelor of Education (Hons) in Mathematics and Geography	Mathematics, Geograpy,	MEG, MPG,	The applicant must have at least two(2) Principal Passes in Mathematics and Geography or having at least a Credit ≥ 60 in both Mathematics and Integrated Sciences
7. Bachelor of Education (Hons) in Biology and Geography	Biology, Geograpy	BCG, MCB, PCB, Biochimie	The applicant must have at least two(2) Principal Passes in Biology and Geography or having at least a Credit ≥ 60 in both Biology and Geography

8. Bachelor of Education (Hons) in History and Economy	History, Economy and Social Studies	HEG, Sciences Humaines, TSS	The applicant must have at least two(2) Principal Passes in History and Economy or having at least a Credit ≥ 60 in both History and Economy or Social Studies
